COMMENTS: He and his wife ran the small campaign ourselves and we were completely inexperienced with the ins and outs of filings. Had his CPA, who was also inexperienced with campaign filing, to help us with the initial filings, but those were returned because of errors. They corrected these errors with the gracious help of Mrs. Yoho. A fine of \$800 would put an enormous financial strain on our family. They are still catching up from unexpected COVID expenses and on top the 3 surgeries our 2 youngest children had to have all within 1 ½ year span. His wife is a full time nurse and he also has a full time job. He ran for this position as he felt called to serve his community. His sincerest apologies for his lack of knowledge and understanding. In the future, they will seek the help of a CPA who is experienced with campaign filings.
